

Overview of the 2nd CDM Training Program

◆ Outline of the CDM training program:

The Ministry of Environment, in collaboration with Japan International Cooperation Agency (JICA), conducted CDM (Clean Development Program) Training Program last year (24th June to 20th August, 2010) as a part of "The Project of Capacity Development of CDM Promotion in Sri Lanka" which started in April 2010 and last until September 2011. The program focused on an elaboration of the basic concepts and rules of CDM. The 2nd CDM Training Program will focus on practical implementation of CDM methodologies with case-base studies.

◆ Objective of the training program:

The training course designed to strengthen knowledge and capacity of the seminar participants in dealing with climate change issues and CDM projects. The course participants are encouraged to disseminate acquired knowledge within organizations they belonged to and their own field of expertise. Program is open to trainees' interactive questions & discussions to obtain deeper understating on the global warming and CDM.

◆ Venue:

Construction Equipment Training Centre (CETRAC)

Conference Room

Address: No. 17, DP Wijesighe Mawtha, Pelawatta, Battaramulla

Tel: 94-11-2784413, 94-11-2786829

◆ Remarks:

- Files and pens will be provided at the introduction session of the program's 1st day of the session.
- Lunch will be served after the seminars
- For any enquires please contact the following person:
Ms. Chamika
Climate Change Division, Ministry of Environment
Tel: 0112883481 Fax: 0114206109
Email: info@climatechange.lk or ciddagoda@gmail.com

◆ Program schedule:

Time	Title of lecture	Lecturer
13th May (Fri)		
08:30~09:00	Registration	
09:00~10:00	Renewable Energy CDM Project (Non-Biomass)	Ms. Kawamura
10:00~10:15	Tea Break	
10:15~11:15	Renewable Energy CDM Project (Biomass)	Ms. Kawamura
11:15~12:15	Waste Management / Handling CDM Project	Mr. Sugimoto
12:15~13:15	Lunch	
20th May (Fri)		
08:30~09:00	Registration	
09:00~10:00	Fuel Switch CDM Project	Mr. Negishi
10:00~10:15	Tea Break	
10:15~11:15	Energy – saving / Demand Side Management CDM project	Mr. Chikamatsu
11:15~12:15	Afforestation / Reforestation	Mr. Chikamatsu
12:15~13:15	Lunch	
27th May (Fri)		
08:30~09:00	Registration	
09:00~09:50	Achievement Test	
09:50~10:10	Tea Break	
10:10~10:55	Trend of Carbon Markets	Mr. Negishi
10:55~11:40	Policy Measures for Climate Change Mitigation in Other Countries	Mr. Sugimoto
11:40~12:00	Closing session	
12:00~13:00	Lunch	

◆ Lecturers:

Full name	Profile
Mr. Satoshi Sugimoto	Leader of the JICA CDM project. He has been providing environmental consulting services, including climate change issues and waste management for more than 20 years in Japan and overseas countries. He is an expert in CDM and climate change policies.
Mr. Hirotaka Negishi	Sub-leader of the JICA CDM project. He has experiences in CDM project development and worked in various countries including China, Thailand, Vietnam, Indonesia, Malaysia, Brazil and South Africa. He is also a certified Environmental Management System Auditor.
Ms. Ai Kawamura	An expert of JICA CDM project. She has 8 years of experience in CDM project development and sustainable renewable energy production/utilization, such as biomass residue, biofuels and mini-hydro power projects in various countries.
Mr. Shiro Chikamatsu	A expert of JICA CDM project. He has worked on CDM project development in Vietnam, Malaysia and Indonesia. He has experiences in biomass, biogas and waste management CDM projects and consulted VER forestry projects.
